Scope Note

This is an artificial collection, that is to say, one assembled by staff of the repository itself. The pictures have been arranged according to the following scheme of series and subseries:

I. NEW ORLEANS
   Subseries A: Individuals (See also Box 3 Oversize.)
   Subseries B: Groups (See also Box 3 Oversize.)
   Subseries C: Buildings (See also Box 3 Oversize.)

II. OTHER PLACES
   Subseries A: Individuals
   Subseries B: Groups
   Subseries C: Buildings
   Subseries D: Other exterior views

III. OVERSIZE (All New Orleans)
   Subseries A: Individuals
   Subseries B: Groups
   Subseries C: Building

Most of the photographs are prints for which the repository does not have the original negatives. There are a few copy negatives, attached half-tone reproductions, and identifying notes. Some of the photographs may have been made by Arthur P. Bedou (1882-1966). For pictures definitely identified as having been taken by him, please see the Arthur P. Bedou Photographs also held by the University Archives and Special Collections Division of the Xavier University Library.
